Snack: 15:30 - 16:00

Activities: 16:00 - 17:00

Free Play: 17:00 - 17:45

Activities overview

At St Leonard's, The Play Professionals have a stable and qualified team that offers a warm welcome to children and parents. The staff team ensure that children are well cared for and we provide an enabling environment with play opportunities to support children's learning and development. We encourage leadership in role play and imaginary play, utilising tents, and dens, in a relaxed safe space.

We value every child as an individual, listen to feedback from parents and carers to support the children's needs and build on their strengths to reach their goals. We also encourage the children to support each other socially, and we are committed to ensuring all children are safe and happy during their stay.

We provide a variety of constructive activities, indoors and outdoors in an enabling environment to allow children to build positive relationships, self-esteem and independence. Outdoor sports help them to learn new skills through playing basketball, hockey, tennis, skittles, crazy frog, circle and team games.

Our activities include arts and crafts where children can express themselves using crafts materials and cutting, painting, and colouring to help develop fine motor skills.

Children are encouraged to get involved in different types of ball games, to support their physical development. Children can play with resources such as Jenga, Lego, Duplo, Connecting Straws, and magnetic rods to build and construct different models. They get creative with junk modelling to build houses, castles and shapes. Children can try their hand at pottery, using their imagination to express themselves through art in clay and Playdough. Library time is used to choose their favourite books to read with staff/friends and explore different cultures and diversity with books around the world. Cookery gives children a chance to learn and taste different foods and occasional movie nights with popcorn offer fun and relaxation with a chance to socialise with each other.

Food Offer

We offer daily healthy snacks to promote healthy eating, which include fruits like apples, oranges, grapes, strawberries, melon, bananas, and pineapple.

Vegetables such as carrots, cucumbers, peppers, tomatoes, and sweet corn are also provided.

Additionally, we offer other foods like baked beans, warm tomato soup, dairy and non-dairy products, alongside freshly baked goods and a variety of foods selected in consultation with the children and in line with healthy eating guidelines.

Snacks are changed daily, and we offer halal, gluten-free, and dairy-free alternatives.

Collection Time

After School Club: Our staff gathers the children from their classes between **15:15 and 15:30**, before our afternoon session commences.

The designated collection period for parents and collectors is from 17:15 to 17:45.
