Activities overview

In our diverse range of activities, children have the opportunity to explore various aspects of themselves and their interests. Through our "All About Me" session, they delve into personal preferences such as favourite animals, colours, and foods, fostering detailed connections. The "Arts and Crafts" segment encourages self-expression, teaching safe scissor use, origami, card-making, and engaging in creative projects like colouring and collages. "Ball Games" offer a dynamic physical experience with activities like football, skittles, and dodgeball, while "Board Games" challenge critical thinking and problem-solving skills. "Circle Games" promote social interaction and observation, and the "Construction Zone" allows children to build models using materials like Lego and Jenga. "Dance Time" encourages rhythmic expression, and the "Free Play Quiet Corner" provides a space for diverse activities, including imaginative play, junk modelling, library time, and a talent show. "Yoga" focuses on balance and relaxation, and "Tents and Dens" lets children build secret hideaways.

Throughout, we emphasise communication and collaboration among the children, creating a rich and engaging environment.
