Activities overview

The dedicated team at St Marys is dedicated to providing a warm, welcoming service. The childrens safety, happiness, and wellbeing are our utmost priority.

We provide a range of activities that allow the children to learn through play and engage with others. We have a role-play area that allows the early years to explore different roles, jobs, and businesses. We do creative activities, which include Lego, brick building, art's and crafts, which encourages them to use their imagination and fine motor skills. Our physical activities include football, tennis, hall/team games promoting hand to eye coordination. We explore the world and life in educational games, using computers, books, games, and toys. Entertainment and relaxation options include different board games, movies, music, and drawing.
