EASTER HOLIDAYS

MONDAY 7TH APRIL - THURSDAY 17TH APRIL

Springtime Explorers

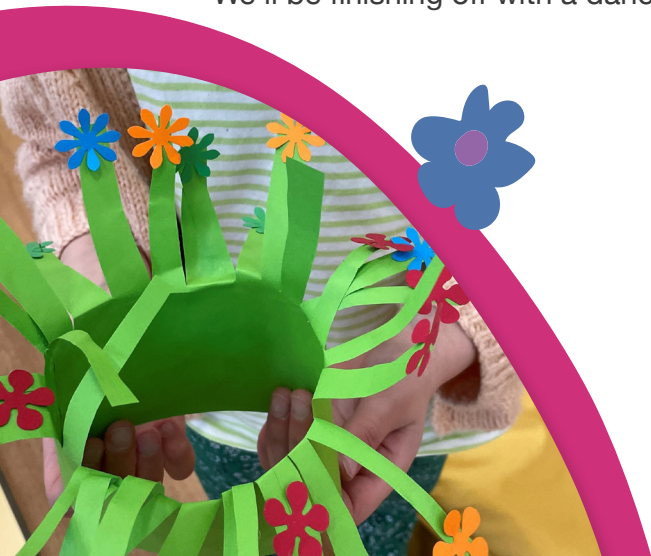

We will be exploring the magic of spring, as we plant wildflowers and search our surroundings to make magical accessories and potions, with nature themed crafts and science lessons.

We will also have plenty of sport and games including skipping, hoops, tag, netball, dodgeball, football, tennis, badminton and more.

There will be cooking and baking, using seasonal produce, making creative pizzas and cakes.

On Wednesday 9th there's a visit to the National Gallery with hands-on art activities inspired by the masterpieces on show, while Wednesday 16th sees us visit Ravensbury Park playground.

We'll be finishing off with a dance party full of surprises. All this and much more fun...
