ACTIVITIES OVERVIEW

Every day we offer new, exciting, and engaging activities tailored to meet each child's individual interests and needs. We actively involve the children in planning by consulting with them to create a weekly programme that reflects their choices and passions. Our dedicated staff team ensure children are well cared for by providing a nurturing environment filled with enriching play opportunities that support learning and development. We value every child as an individual and listen carefully to feedback from parents and carers to better support each child's needs. By building on their strengths, we help them achieve their goals. We also promote positive social interactions among the children and are fully committed to ensuring that every child feels safe, supported, and happy during their time with us.

FOOD OFFER

We provide healthy snacks each day to promote nutritious eating habits. These include a variety of fruits, such as apples, oranges, grapes, strawberries, melon, bananas and pineapple. We also offer vegetables like carrots, cucumbers, peppers, tomatoes, and sweetcorn. In addition, we serve a range of other foods, including baked beans, warm tomato soup, dairy and non-dairy products, freshly baked goods, and items selected in consultation with the children, all in line with healthy eating guidelines. Snacks vary daily and we offer halal, gluten-free, and dairy-free alternatives to accommodate dietary needs.

COLLECTION TIME
